Presentations

International Oral /Poster Presentations

1. Fellowships shorten the learning curve
 - Oral Presentation - IFSO Conference, Istanbul, Aug 2013
(Presented by consultant colleague – lack of funding to attend)
2. Bariatric Training in the UK is now SORTED.
 - Oral Presentation - IFSO Conference, Hamburg, Aug 2011.
 - Poster Presentation - BOMSS (Obesity) Conference, Leeds, Jan 2011
 - Poster Presentation - ASiT Conference, Sheffield, Apr 2011
3. Laparoscopic adjustable gastric banding – simplifying a simple procedure.
 - Poster presentation - International Federation for the Surgery of Obesity 14th World Congress, Paris, Aug 2009
4. A single surgeon experience with gastric balloon
 - Oral presentation - AUGIS Ireland, Sept 2012
5. Laparoscopic adjustable gastric banding using the MIDBAND™ without gastric fixation sutures in 450 patients
 - Oral presentation - International Federation of Surgery for Obesity - Asian Pacific Chapter, Cairns, Australia, Mar 2009
6. Letting our definitions slip – are we reporting different outcomes?
 - Oral presentation - IFSO (Obesity) Conference, Los Angeles, Sept 2010 (Presented by consultant colleague – lack of funding to attend)

National Oral / Poster Presentations

7. Effective Hernia Training
 - Oral Presentation – National Hernia Symposium Birmingham, Mar 2013
8. SORTED – evolution of a validated education programme
 - Poster presentation – BOMMS Glasgow, Jan 2013
 - Oral Presentation – ALS Cork, Nov 2012
9. Day case gastric bypass surgery
 - Poster presentation – BOMMS Glasgow, Jan 2013

10. Do bariatric patient support groups affect short-term surgical outcomes
 - Poster presentation – BOMMS Glasgow, Jan 2013

11. Getting it right with LIGHT (Hernia Course)
 - Oral presentation - National Sales Conference London, Sept 2012

12. Centralisation of Upper GI cancer services – is the hub really better than the spoke?
 - Poster presentation - Association of Surgeons of Great Britain & Ireland, Liverpool, May 2012

13. Professional Education for the ideal hernia training
 - Oral presentation - National Hernia Symposium Birmingham, Mar 2012

14. Multidisciplinary Trauma Call Simulated Training – a first in the UK
 - Oral presentation - ASME (medical education) Conference Edinburgh, Jul 2011

15. Emergency Cholecystectomy – pathways to change
 - Oral presentation - Severn School of Surgery Research & Audit Day Bristol, Sept 2010
 - Poster presentation - Association of Laparoscopic Surgeons of Great Britain & Ireland Nottingham, Nov 2010

16. Barium enema – an obsolete test in colon cancer imaging?
 - Poster presentation - ASiT Conference Hull, Mar 2010

17. The two-week target for laparoscopic cholecystectomy following gallstone pancreatitis is achievable and cost-neutral
 - Oral presentation - 4th Alpine Liver and Pancreatic Surgery International Conference Italy, Feb 2009 (Presented by colleague)
 - Poster presentation - Association of Laparoscopic Surgeons of Great Britain & Ireland Colchester, Nov 2008

18. Patients' attitude to surgical attire
 - Poster presentation - Association of Surgeons in Training Meeting Belfast, Mar 2007

19. Pus Swabs in Paediatric Appendicectomy
 - Oral presentation - Wessex Paediatric Surgeons Meeting Southampton, Jan 2005

20. Fc Receptors and the NOD mouse
 - Oral presentation - Immunology Group Meeting, University of Cambridge, Jun 1999
